**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic as my ISP because it meets my needs the best. It would be a grave disservice to this country to eliminate the possibility of smaller competitors bringing better features to the marketplace.

Broadband is critical to me as a web site developer, as well as my consumer use. I need to upload and download large data files, and the bidirectional speed of Sonic fiber is perfect for this.

I started out with the competitive DSL option, which was a great experience.
